# Aldelo Express iPad Cloud POS

Aldelo Express delivers competitive edge for restaurants, bars, retailers and more. A cloud based iPad POS system that is perfect for both stationary and mobile point of sale needs. Aldelo Express takes simplicity, ease of use, and feature richness to the next level.

Seamless Integrations All Around

# Aldelo Express

## Android Mobile POS

Aldelo Express Mobile is a complete Point of Sale in the palm of your hands. It's simple to setup, simple to use, and easy on your budget! With powerful features you need everyday such as Table Services, Delivery, Take Out, Ticket Settlement, Hold features and more all in a form factor that fits in your pocket.

Seamless Integrations All Around

# Aldelo Express Restaurant Kiosk

As a Table Side Kiosk, Diners can order items right from the table, and your staff will know exactly what table ordered for food delivery upon ready. No longer do customers need to be waiting for service. Attention and customer satisfaction is just a tap away.

Seamless Integrations All Around

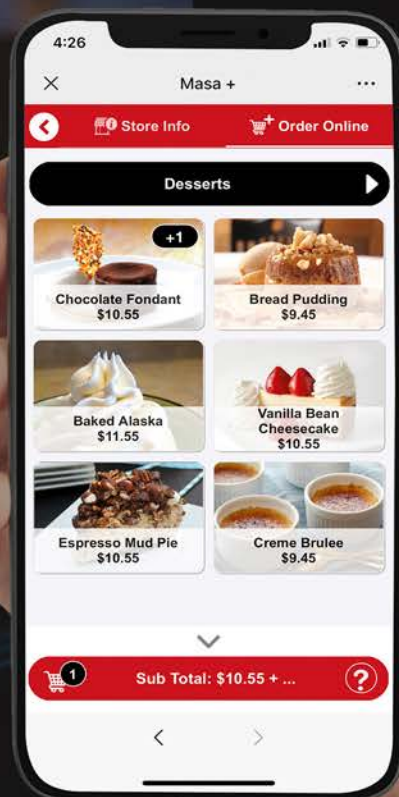

# masa+ Online Ordering

Masa+ Online Ordering allows you to order from your Favorite restaurants right from your phone , tablet or PC. Masa+ Online Ordering also showcases your restaurant with detailed information and gallery, helping you with online marketing with ease.

Seamlessly Integrated with Aldelo Express Cloud POS

# Aldelo Express Kitchen Display

Aldelo Express Kitchen Display System (KDS) supports Traditional, Consolidated and Expeditor modes. It also has configurations that allow for controlling the number of orders displayed on-screen.

## Seamless Integrations All Around

# Aldelo Express Customer Display

With the ability to use a variety of iPad sizes, you can customize your look and feel at the same time allow your guest to enter coupon codes and make payment choices as options are presented to them making them a more engaged part of the checkout experience.

# Multi-Store Gift Cards

## A More Flexible Gift Card Program

**SMS e-Gift**

**Physical Gift**

**Electronic Gift**

Masa Gift is a Multi- Store gift platform that empowers merchants by giving them the control over their gift card program. Create chains that can exchange gift balances, redeem gift card balances, have unified security options, and bin range management.

Best of all there is no hardware to purchase! The Aldelo Masa Gift program works with the camera built into your iPad or Android device already to scan QR Code from your card or Masa+ app.

# Integrated Payment Processing

## Why Choose Aldelo Pay?

On top of great savings on your merchant processing costs, Aldelo Pay provides you with even more benefits. Aldelo Pay merchants get free Aldelo software, support, and services on qualifying plans solutions.

## Our Benefits

**Free 24/7 Support**

**Match or Beat Your Rate**

**Free Aldelo Software & Updates**
